

Home of the real **HEAT-TROLLER**,
Made in the US since 1994.
(this is not the Chinese made copy!)

It's not about how cold it is where you are, but how cold it is where you are going.

Designed to keep you warm and safe, we are now offering clothing to go with our latest Heat-Troller so you can be warm without the bulk.

Take advantage of this special offer that applies to all Heat-trollers and Heated Clothing, open to all graduates and Instructors of motorcycle safety courses, members of the AMA, HSTA, BMWMOA, GWRRA, HOG and other groups.

Some examples of products and pricing:

Single Portable Heat-Troller, battery harness

Only \$69.95 less 20%

With carrying pouch, only \$5.00 more.

Single Mounted Heat-Troller with battery harness

Only \$79.95 less 20%

Already own a Heat-Troller?
