Fifth Annual Ride to Crabs – December 17, 2016

Questions? The Ride Coordinator is Bob Kuykendall - 925-570-9957 cell

STYLE OF RIDE: The ride leader will maintain a moderate pace but will not keep track of everyone. Faster riders may go ahead, slower riders may ride at their own comfortable pace, and all who wish can meet at the pre-planned stops. If you are riding in a group, the leader is positioned front left and those behind staggered right and left, leaving a safe distance between you and the rider in front of you. Change to single file with increased spacing when appropriate for curves or narrow roads.

RIDE ROUTE: Routes are usually planned using software or a map. They are not pre-ridden before the actual ride. Road closures and unexpected road conditions may be encountered. If so, use your GPS device, Smartphone, and/or map to find an alternate route to the destination you desire.

RELEASE OF LIABILITY: In consideration of my participation in any and all Central Cal BMW Riders events, for myself, my heirs, executors, administrators, trustees, & assignees, I waive & release any and all rights & claims for damages, for death, or personal injury, or loss of property I may have, or which may accrue to me or may result to me in connection with activities sponsored or organized by Central Cal BMW Riders. I hereby discharge and release Central Cal BMW Riders from any & all liability arising out of or connected in any way with my participation in this event. I acknowledge that the riding of motorcycles is a dangerous activity. My participation is voluntary and is at my own risk. I agree to abide by all rules set forth for the event & follow all directions of event officials. **I agree that participation in said event confirms that I have read, understand & agree with everything written herein.**

RIDE DESCRIPTION:

The CCBR December Ride will meander from Foster City via some very nice twisty roads to Princeton Harbor just north of Half Moon Bay. Once there riders can savor and excellent lunch and purchase some very fresh, extremely tasty, Dungeness Crab. The season has opened. The fishing boats are coming into coastal harbors loaded with crab. It's time for crabby CCBR riders to plan their crab feed strategies for the Holiday Season. There's plenty of room in your panniers and top case to feed your family and friends. Or, if you have a sidecar, you can bring some home for the whole neighborhood.

Here's Crabby, waiting to join you for dinner.

Please have a full tank of gas before the start!

Getting to the Start:

Uncle Phil says, "Starbucks is next to Verizon.
Take the first exit off the bridge. Turn left onto Chess Dr."
